A parent may participate with more than one child and a child may participate with more than one parent.

Prizes will be awarded for the winners in each division. Prizes will consist of family 4 packs of tickets to various local events and venues as well as gift certificates.

This is our first attempt at this type of tournament and it will be a learning experience for both the organizers and participants. We ask your cooperation in not pushing the rules of this tournament to their limits and we would like to this to remain a fun event.
